

## AdvisoryCloud Named to San Francisco Business Times' Fast 100 for Third Consecutive Year

**OCTOBER 18, 2019 – NOVATO, Calif.** – AdvisoryCloud, the leading platform for advisors, announced today that it has been ranked no. 36 by the San Francisco Business Times on its 28<sup>th</sup> annual Fastest Growing Private Companies in the Bay Area list. The prestigious list is an exclusive ranking of the region's fastest growing companies; one of the most important segments of the local economy.

The companies on this year's list ranked between 28 percent and 1,983.7 percent growth and are ranked by percentage of revenue growth increase between 2016 and 2018.

"We are honored to once again be recognized by the San Francisco Business Times for our innovation and entrepreneurial achievements in defining the next generation of advisory services," said Jonathan Aspatore, founder and CEO of AdvisoryCloud. "This industry is constantly evolving and it's incredibly exciting to be leading the charge, creating the future of advisory work for years to come."

"Our region is renowned as a hub for innovation and as an ecosystem that fosters growth companies," said Mary Huss, Publisher of the San Francisco Business Times. "AdvisoryCloud, along with all of the companies on the list deserve special recognition because they fuel our regional economy."

Today's accolade signifies AdvisoryCloud's dedication to not only providing business professionals with a proactive way to take control of their career, financial stability, and personal development, but the evolution of an industry that has the power to change the way people live their lives.

This recognition follows shortly after AdvisoryCloud's inclusion in Inc. Magazine's [2019 Inc. 5000](#) Fastest Growing Private Companies in America.
